

## Laptops For Life (L4L) Program 101

### Laptops For Life (L4L) Overview

CDSS is partnering with Cell-Ed to distribute laptops (Chromebooks) and smartphones (Android devices) to eligible clients participating in CalFresh E&T, CalWORKs Home Visit Program, Tribal TANF, and Indian Health Clinics.

### Expectations of Pilot Partners

Participating programs will be asked to

- [Sign up](#) to gain access to the L4L toolkit and updates
- Join or watch a webinar on L4L including how to provide supported delivery to clients
- Set up your profile on the Cell-Ed App
- Deliver equipment using an easy-to-use Checklist on Cell-Ed to register the device & help clients set it up
- Introduce and sign up clients to Cell-Ed (optional)

### Get set up on the Cell-Ed app

- Download the application from the [Google Play Store](#) (Android) or the [Apple App Store](#) (iOS).
  - If you do not have access to a smartphone you can access it on a computer via [gocelled.com](http://gocelled.com);
  - Open the application, and enter your phone number. Then click CONTINUE.
  - Create a password with 6 characters or more, and enter the **STAFF PIN 5459**.
  - **DO NOT** share this PIN with any client or participant. *This account is exclusively for staff.*
  - Click the **yellow play button** to start. You'll be asked some questions about your role.
  - Study digital literacy courses or view the supported delivery checklist by clicking the + button in the bottom left of the screen.
  - For more instructions [watch this video](#).

### Benefits for Clients

In addition to providing equipment the L4L program provides the option for clients to have wraparound education and support to ensure they are set up for success.

1. All clients will have access to digital literacy courses, and tips & tricks that will be sent via email and text messaging.
2. Clients will also have access to Cell-Ed's course catalog including work readiness, reading for life & work, math for work & life, English language learning, and more!
3. Cell-Ed will provide each client a coach to provide support on technical issues and any Cell-Ed courses the client takes.

### Program Requirements

- Supported Delivery is required to ensure that clients feel supported and ready to use their equipment
- As part of the program requirements, an email address must be provided for the client during the supported delivery
- Equipment can be used for anything and is not restricted to CDSS related activities
- Let the clients know that the device is ready to go once they have received supported delivery, and ensure they know how to use it
- If the client needs any support they may call the **Cell-Ed Helpline: (916) 252-4667**
